MLA 2010 SPRING AREA MEETINGS

The Mid-America Lumbermens Association (MLA) announces a series of area meetings to be held at a location near you. Several important topics are scheduled for these meetings, in addition to offering a forum for the discussion of current industry news and issues.

Every meeting will include a working lunch. We'll begin at 10:30 a.m. and have you on your way home by 2:00 p.m. *The meetings are being provided to members at no charge.* To help us guarantee an accurate meal count, **please register and pay at least one week prior to the meeting you plan to attend. Send \$20 per person – this amount will be refunded (to members) when you attend.**

We are offering these meetings at 11 locations throughout the MLA territory. Select the location that works best for you and return your form today!

MEETING AGENDA

The agenda will vary somewhat from location to location depending on availability of lobbyists and others.

- I. *Legal issues*** ó Every program will provide a presentation by an attorney from Seigfreid, Bingham, Levy, Selzer & Gee, Kansas City, Mo., which will include succession planning, primer on legal entities, credit issues, wage-and-hour issues and a Q&A session! You can't afford to miss this presentation.
- II. *Industry issues*** ó Association staff will also update you on industry issues and new association programs.
- III. *Legislative issues*** ó When available, association lobbyists will present an update on issues in your state.

We'll cover a lot of ground in a short amount of time. The program will be fast-paced and interactive.

We also want to hear from you: How do you see the housing market in 2010? What opportunities lie ahead? What should your association be doing to help dealers?

Come to the area meeting nearest you for lunch, conversation and learning. We hope to see every member at an area meeting!
