

It's Time To Review Your Retirement Savings Plan

With building concern over **Fiduciary Risk**, the argument for outsourcing your retirement savings plan to the Mid-America Lumbermens Multiple Employer Plan (MEP) keeps getting stronger.

W. Scott Simon referred to joining a Multiple Employer Plan as, “...the **platinum standard of delegation of fiduciary responsibility (and liability) by a plan sponsor.**” *It has been suggested that multiple employer plans offer the most significant mitigation of fiduciary risk available today*.*

- Pooled MLA-MEP retirement plan resources greatly reduce expenses incurred by Adopting Employers. (Tax savings alone may be greater than plan expense.)
- Customizable plan features.
- Single Point-of Service for Broker, Advisory, and TPA functions.
- Provide a diverse collection of quality investment options.
- Scheduled on site One-On-One Investment Advisor meetings.
- Roth deferral option eliminates Income Qualification restrictions.
